The Club's mission is to create, support and sustain environmentally positive practices at school and in their community. The members requested the funds to help the Village of Cambridge start a recycling option available on our sidewalks. While the Village provides public trash receptacles there is not currently any public recycling bins. The funds donated by Stewart's Holiday Match will allow the purchase of 3 recycling receptacles to be placed next to our Village garbage containers. On October 3 <sup>rd</sup> , the Environmental Club's co-president, Abby Maher, and treasurer, Sarah Harper presented this proposal to the Village Board. The Board is highly supportive of the club's initiative and will be working with the Environmental Club to develop a plan for implementation and to obtain another grant for more receptacles. Public trash receptacles are removed during winter months so the new recycling bins should be available in the Spring. Additionally, the Village Board has requested the Environmental Club's participation in the Sustainable Energy Task Force meetings. The Environmental Club members are excited about partnering with their community and working together to improve it for future generations.

## Caregiver Monthly Support Group and Alzheimer's Workshop

The Alzheimer's Association and Cambridge Public Library are hosting a monthly Support Group for Caregivers, Family, and Friends of those impacted by alzheimer's, dementia and other memory related disease. The meetings are held on the first Monday of every month from 6:00-7:00 PM at Cambridge Public Library.

October's Alzheimer's Workshop will be Effective Communication Strategies and is scheduled for October 31st from 11:00 AM – 12:00 PM. This workshop will focus on all forms of communication and understanding nonverbal cues. For more information call Lindsay Stanislawsky at 518-888-5368.

## Library Aspirations Community Meeting

The Cambridge Public Library would like to invite community members (anyone in the Cambridge Central School District) to participate in an open discussion about the library's future services and building. This is a preliminary meeting to discuss the community's view of the library's space and how it could be improved. Please join us on November 13<sup>th</sup> from 7:00-8:00PM to share your voice and help build a brighter future for our library and community. RSVP for this meeting at 518-677-2443 or [cbecker@sals.edu](mailto:cbecker@sals.edu). Snacks and refreshments will be provided.
